

# LIGHTHOUSE NEWSLETTER

June 2010

Dear Friends of Lighthouse,

Over the last 23 years and 200+ events, we have been privileged to be a visible Lighthouse to our community. Many of you have helped us make this possible, and we are grateful for the encouragement and support you have given over the years. As a nondenominational ministry, we believe Jesus to be our power source to light the beacon of the Lighthouse. Our goal is to preach the Gospel and give instruction on how to follow Christ through free self-help Bible booklets that are handed out.

Over the years we have offered all our concerts free of charge—a collection has never been taken at an event. We'd like to continue this practice. Please consider sending a tax-deductible contribution to Lighthouse 3557 Jansen Dr N. West Bend WI 53090 Mark Fechter and the Lighthouse Staff

Mark was recently diagnosed with congestive heart failure and a severely enlarged heart in addition to the a-fib and cardiomyopathy that he's had for 3 years. Having been in the hospital for 5 long days, he needs to be very careful and not do too much. He will wear a heart monitor and then a decision may need to be made to have an ablation and pacemaker/defibrillator.

Thank you for your continued prayers on our behalf.
